The New Trotting Queen to High Sulky
Makes the Mile in 2:06—Wagon
Record Lowered by The Monk
and Equity.

(By Associated Press.)

CLEVELAND, O., Sept. 12.—Two world's records went by the board this afternoon at the Glenville track. Lou Dillon, 2:03, driven by Millard Sanders, broke the trotting record at high sulky of 2:08 3/4, established by Maud S., in 1888, negotiating the distance in 2:06. The fractional time was: 32 1/4, 1:04, 1:35, 2:06.

The Monk and Equity also broke the world's wagon record, going the mile in 2:06 3/4.

The day was perfect for the trial against time, not a breath of air stirring when the trotting queen came on the track harnessed to her sulky. Charles Tanner led the way after the word was given, while Scott McCoy was close up with another runner. The mare went a perfect mile and it was thought from the first that the long-standing record would be broken. Tanner held the runner well in front for the first half, drawing back for a short lead on the stretch. McCoy drove up close after the finish, the game little mare fighting to out-trot her opponents. A mighty shout went up from the crowd, of 6,000 present when the time was announced.

Preceding the breaking of this record, the world's wagon record was broken by The Monk and Equity, driven to pole by their owner, C. K. G. Billings. The team broke the record of 2:12 1/4, made by Belle Hamlin and Honest George, driven by Ed. George, in 1891. The fractional time was: 32 1/4, 1:04, 1:35, 2:06 3/4.
